

Class Name	Figure Drawing
Instructor	Susan Vitale
Summary	During this course in figure drawing we will work from live models
Course Details	<p>This class will be an opportunity for experienced artists to work from the model and for beginners to explore a new experience. Drawing from the models is a good way to develop skills that will apply to all your drawing and painting projects.</p> <p>There will be a critique at the end of each class where we may observe and learn from each others' work.</p>
Instructor Bio	<p>Susan Vitale has lived in East Dover and, as primarily a landscape painter, painted all around the area for nearly forty years. She is a graduate of NSCAD in Fine Arts and Education. She has taught in the public schools, currently for the Dartmouth Art Students' League and from her studio in East Dover. She has also conducted many workshops over the years. Her work has been widely exhibited in Nova Scotia and may be found in collections both here and abroad.</p>
